

Year	Location	Report	Content
2023	Germany	Valuation report	Preparation of a short strength-weakness analysis (memo) for some existing biogas plants in Germany
2022	Germany	Valuation report	Evaluation of 30 biogas and 15 biomethane plants in Germany
2022	Poland	Due Diligence	Technical due diligence for a biogas plant in Poland
2022	Germany	Valuation report	Technical evaluation of two existing biogas plants and one new biogas plant to be built in Germany Schleswig-Holstein
2022	Germany	Due Diligence	Technical due diligence for a biogas plant in Germany
2022	Germany	Damage report	Expert opinion on the damage to the supply line of a biogas plant in Germany
2022	Germany	Due Diligence	Technical due diligence for a biogas plant in Germany
2022	Germany	Damage report	Preparation of an expert opinion on an agitator damage of a biogas plant in Germany
2022	USA	Valuation report	Evaluation of the performance of two existing biogas plants and recommendations for operational improvements
2022	Germany	Valuation report	Expert opinion on the assessment of biowaste from a biogas plant in Germany
2022	Germany	Valuation report	Expert opinion on external gas storage at the site of a biogas plant in Germany
2022	Germany	Valuation report	Evaluation of a technology for biological exhaust air treatment in the flexographic printing industry
2022	Netherlands	Due Diligence	Technical due diligence for a biogas plant in the Netherlands
2022	Netherlands	Valuation report	Inspection and evaluation for an existing biogas plant in the Netherlands
2022	Germany	Valuation report	Evaluation of a biomethane plant in Germany
2021	Germany	Damage report	Damage report on a damage of a gas holder roof
2021	Germany	Damage report	Damage report on digester biology
2021	Germany	Court report	Supplementary report to a court report
2020	Germany	Damage report	Expert opinion on a claim for an insurance company
2020	Germany	Damage report	Expert opinion on a claim for an insurance company
2020	Germany	Damage report	Expert opinion on a claim for an insurance company; agitator damage
2020	Germany	Damage report	Expert opinion on a claim for an insurance company
2020	Germany	Damage report	Expert opinion on a claim for an insurance company
2020	Germany	Damage report	Expert opinion to determine the cause of damage to the feedwater pipeline in the heat pipe of a biogas plant
2020	Germany	Damage report	Expert opinion on a claim for an insurance company: Leak in activated carbon filter

Year	Location	Report	Content
2020	Germany	Damage report	Damage investigation for an insurance company
2020	Germany	Damage report	Expert opinion on damage for an insurance company
2019	Germany	Damage report	Statement on fire damage in the CHP building. Determination of business interruption damage
2019	Germany	Damage report	Expert opinion on damage to a CHP for an insurance company
2019	Germany	Damage report	Expert opinion on damage to a gastight cover of a storage tank
2019	Germany	Damage report	Expert opinion on damage to an overfilled digester due to incorrect operation
2019	Germany	Court report	Regional court Paderborn
2019	Polen	Due Diligence	Technical assessment and evaluation of two biogas plants
2019	Germany	Due Diligence	Valuation report for a biogas plant to determine the amount of the insurance policy
2019	Germany	Due Diligence	Assessment of locations for a biogas plant
2019	Germany	Damage report	Expert opinion on damage to a roof structure of a biogas plant
2019	Germany	Court report	Regional court München I
2019	Germany	Damage report	Assessment of damage to an agitator
2019	Germany	Damage report	Expert opinion on damage caused by poisoning the digester biology
2019	Germany	Damage report	Assessment of damage to the gas storage roof of a biogas plant
2019	Germany	Court report	Regional court Traunstein
2019	Germany	Damage report	Statement on damage to the heating pipe of a secondary digester by an external agitator
2019	Germany	Court report	Regional court Paderborn
2019	Germany	Court report	Regional court Oldenburg
2018	Germany	Due Diligence	Due Diligence of a batch fermentation with composting
2018	Germany	Court report	Regional court Münster
2018	Germany	Court report	Statement on an expert opinion for a court case
2018	Germany	Insurance expert report	Expert opinion for an insurance company
2018	Germany	Insurance expert report	Expert report and damage report for an insurance company
2018	Germany	Damage report	Evaluation of a gas holder roof and on the concrete restoration

Year	Location	Report	Content
2018	Germany	Damage report	Evaluation of a damage of an enamelled steel tank
2018	Germany	Damage report	Expert opinion on a insurance loss
2018	Germany	Damage report	Expert opinion on the damage of a mixer
2018	Germany	Damage report	Evaluation of a damage
2018	Germany	Evaluation	Support to get a certification on the technical safety system of the biogas plant
2018	Germany	Court report	Regional court Frankfurt
2018	Germany	Court report	Regional court Magdeburg
2018	Germany	Technical evaluation	Technical and biological evaluation of a biogas plant
2017	China	Expert report	Technical evaluation of companies in China
2017	Ukraine	Expert report	Evaluation and consultancy of a biogas plant with problems with the digester biology
2017	Germany	Expert report	Damage assessment of the damage of the agitator of the digester of a biogas plant
2017	Germany	Expert report	Assessment of damage to a separator. Determination of the cause of damage
2017	Germany	Expert report	Assessment of the damage to the regenerative thermal post-combustion (RNV) as part of the biogas upgrading system of the
2017	Germany	Expert report	Safety assessment of a sewage sludge drying
2017	Germany	Court report	Regional court Ansbach
2017	Germany	Court report	Regional court Magdeburg
2017	Germany	Expert report	Assessment of the damage of a tank
2017	Germany	Court report	Regional court Hildesheim
2017	Deutschland	Court report	Regional court Oldenburg
2017	Germany	Expert report	Evaluation of an existing biogas plant for a potential investor; technical due diligence
2017	Germany	Expert report	Evaluation of cracks in a concrete tank of a biogas plant
2017	Germany	Expert report	General technical evaluation of a biogas plant with emphasis on helix hydrolysis
2017	Germany	Expert report	Evaluations of digester biology and the quantity of digestate
2017	Germany	Expert report	Revision of the hazard assessment for a biogas plant
2017	Germany	Expert report	Technical evaluation of an existing biogas plant for the digestion of organic waste

## Reference list - Expert opinions -

Year	Location	Report	Content
2017	Germany	Expert report	Assessment of the biogas upgrading system of a biogas plant
2017	Germany	Damage report	Assessment of damage to the bottom plate of the secondary digester of a biogas plant and determination of the cause of the damage
2017	Germany	Expert report	Evaluation of the plant technology and comments on the site of a box digester for the digestion of biowaste
2017	Germany	Court report	Regional court Bielefeld
2017	Germany	Court report	Regional court Hof
2017	Germany	Court report	Regional court Osnabrück
2017	Germany	Expert report	Assessment of a damage to a CHP; assessment of loss of feed in rate
2017	Estland	Expert report	Assessment of concrete damage to the inner wall of the digester of a biogas plant
2017	Germany	Expert report	Assessment of a biogas upgrading system and an activated carbon filter
2017	Germany	Damage report	Evaluation and assessment of a damage to a CHP and an oil cooler of a biogas plant;
2017	Germany	Expert report	Inspection and evaluation of a biogas plant
2016	Germany	Expert report	Preparation of a report on damage to a submersible mixer
2016	Germany	Court report	Regional court Münster
2016	Germany	Expert report	Assessment of the plant technology and development of possibilities of renovation after a damage to the heating pipes of a biogas digester
2016	Germany	Ergänzung zu ein	Addition to a court report for the regional court Erfurt
2016	Germany	Expert report	Expert report on a silage plate
2016	Germany	Expert report	Expert report on a damage to a gas holder roof
2016	Germany	Expert report	Assessment of liability for an insurance company
2016	Germany	Expert report	Preparation of an expert report on the required protection of tanks against unauthorized access
2016	Germany	Expert report	Preparation of a expert report and inventory
2016	Germany	Court report	Regional court Braunschweig
2016	Germany	Court report	Regional court Braunschweig
2016	Germany	Expert report	Expert report and damage report for an insurance company
2016	Germany	Expert report	Technical expert report on three biogas plants

Year	Location	Report	Content
2016	Germany	Court report	Regional court Hildesheim
2016	Germany	Court report	Regional court Kiel
2016	Germany	Insurance expert report	Preparation of a insurance expert report
2016	Germany	Court report	Regional court Bamberg
2016	Germany	Expert report	Preparation of a expert report on the conformity of the pipe construction with the permission documents
2016	Germany	Valuation report	Preparation of a valuation report within the frame of a due diligence for a biogas plant
2016	Germany	Damage report	Preparation of a damage report for a biogas plant
2015	Germany	Expert report	Expert report: Piping construction in accordance with the official permission
2015	Germany	Damage report	Preparation of an damage report for a biogas plant in Lower Saxony
2015	Germany	Damage report	Preparation of a damage report for a secondary digester for a biogas plant in Saxony-Anhalt
2015	Germany	Expert opinion	Regional court Verden an der Aller
2015	Germany	Expert opinion	Regional court Heidelberg
2015	Germany	Expert opinion	Regional court Heilbronn
2015	Germany	Expert opinion	Regional court Kiel
2015	Germany	Insurance expert report	Preparation of an expert report regarding cause and extent of damage and operation interruption loss for a biogas plant in Brandenburg
2015	Germany	Expert opinion	Regional court Osnabrück
2015	Germany	Expert opinion	Regional court Münster
2014	Germany	Valuation report	Preparation of a valuation reports for a biogas plant in Lower Saxony
2014	Germany	Damage report	Preparation of an expert report for the evaluation of a storm damage for a biogas plant in Lower Saxony
2014	Germany	Expert opinion	Regional court Heidelberg
2014	Germany	Expert opinion	Regional court Bielefeld
2014	Germany	Expert opinion	Regional court Stralsund
2014	Germany	Expert opinion	Regional court Halle
2014	Germany	Expert opinion	Regional court Münster
2014	Germany	Expert opinion	Regional court Magdeburg
2014	Germany	Expert opinion	Regional court Detmold
2014	Germany	Expert opinion	Regional court Bielefeld
2014	Germany	Expert opinion	Regional court Kassel
2014	Germany	Expert opinion	Regional court Osnabrück
2014	Germany	Expert opinion	Regional court Erfurt
2014	Germany	Expert opinion	Regional court Bamberg
2014	Germany	Due Diligence	Preparation of a Due Diligence (Technical support) for a biogas project in Saxony-Anhalt
2014	Germany	Valuation report	Assessment and evaluation of two biogas plants in Mecklenburg-Western Pomerania and Saxony-Anhalt
2014	Germany	Hazard assessment	Preparation of a hazard assessment, based on the German Ordinance on Industrial Health and Safety for an existing biogas plant in Bavaria

## Reference list - Expert opinions -

Year	Location	Report	Content
2014	Germany	Hazard assessment	Preparation of a hazard assessment, based on the German Ordinance on Industrial Health and Safety for upgrading/modification of a digester of a biogas plant in Mecklenburg-Western Pomerania
2014	Ireland	Hazard assessment	Preparation of a hazard assessment, based on the German Ordinance on Industrial Health and Safety for an existing biogas plant in Ireland
2014	Germany	Expert opinion	Regional court Nürnberg-Fürth
2014	Germany	Expert opinion	Regional court Heidelberg
2013	Germany	Hazard assessment	Preparation of a hazard assessment and safety training of staff for the biogas plant Böckermann
2013	Germany	Hazard assessment	Preparation of a hazard assessment and safety training of staff for the biogas plant Decker
2013	Germany	Hazard assessment	Preparation of a hazard assessment and safety training of staff for the biogas plant Söder
2013	Germany	Damage report	Preparation of a damage report. Documentation of the correction of a defect submerged mixer (covered by warranty) in the digester of an existing biogas plant
2013	Germany	Expert report	Review of components of a biogas plant with respect to the warranty period
2013	Germany	Hazard assessment	Preparation of a hazard assessment and safety training of staff for an existing biogas plant
2013	Germany	Study	Preliminary study on the digestibility of solid waste of the sugar industry
2013	South Africa	Technical expert report	Preparation of a technical expert report on a biogas plant concept for the digestion of organic waste in South Africa
2013	The Netherlands	Technical expert report	Technical evaluation report for a biogas plant in The Netherlands
2013	Denmark	Technical feasibility study	Technical feasibility study on a biogas plant for the digestion of by-products of a sugar industry in Denmark
2013	Germany	Expert report	Inspection and assessment of the heat balances of the digester at an existing biogas plant in Germany
2013	Austria	Expert opinion	Regional court Wiener Neustadt (Vienna, Austria)
2013	Japan	Study	Comparison of different biogas upgrading systems
2013	Germany	Expert report	Evaluation and assessment of the engineering of an existing biogas plant in Germany
2013	Germany	Expert opinion	Regional court Leipzig
2013	Germany	Expert opinion	Regional court Leipzig
2013	Germany	Expert opinion	Regional court Potsdam
2013	Germany	Expert opinion	Regional court Kiel
2013	Germany	Expert opinion	Regional court Oldenburg
2013	India	Expert opinion	Expert opinion about sedimentation in a digester at a biogas plant in India, which is operating with dry chicken manure and sago water
2013	Germany	Expert opinion	Regional court Cottbus
2013	Germany	Expert opinion	Expert opinion about planning and approval of documents of a biogas plant with a biogas upgrading system
2013	Germany	Expert opinion	Regional court Bamberg
2013	Germany	Expert report	Preparation of a technical expert report for an existing biogas plant to evaluate the engineering from a technical and biological point of view
2013	Germany	Insurance expert report	Preparation of an insurance expert report of an existing biogas plant in Germany for risk assessment of plant technology

## Reference list - Expert opinions -

Year	Location	Report	Content
2013	Germany	Expert report	Expert report about plant operation and maintenance of an existing biogas plant in Germany. Determination of the business interruption damage
2013	Germany	Expert report	Inventory and valuation of an existing biogas plant
2013	Germany	Expert opinion	Regional court Görlitz
2013	Germany	Expert opinion	Regional court Münster
2013	Germany	Expert opinion	Regional court Osnabrück
2013	Germany	Expert opinion	Regional court Nürnberg-Fürth
2013	Japan	Expert report	Preparation of a defect report in which the deficiencies of the biogas plant are listed for biogas plant in Japan
2013	Germany	Expert opinion	Regional court Oldenburg
2013	Germany	Technical expert report	Support in the optimization of an existing biogas plant
2012	Deutschland	Hazard assessment	Preparation of a hazard assessment and safety training of staff for the biogas plant Göttingen
2012	Germany	Study	Implementation and evaluation of a trial operation for biowaste treatment for a sewage treatment plant in Germany
2012	Finland	Study	Investigation into the suitability of dry digestion
2012	Germany	Expert opinion	Regional court Naumburg
2012	Germany	Expert opinion	Regional court Bonn
2012	Germany	Expert opinion	Regional court Hamm

2012	Germany	Expert opinion	Regional court Stuttgart
2012	Germany	Expert opinion	Regional court Bielefeld
2012	Germany	Expert opinion	Regional court Hildesheim
2012	Germany	Expert report	Inspection of a biogas plant in Lower Saxony and evaluation of the concrete digester.
2012	Germany	Inspection and appraisal	Preparation of an expert report on explosion protection of a biogas plant in Germany
2012	India	Inspection and appraisal	Technical support of the construction of a biogas plant for the digestion of waste in India
2012	Germany	Safety-related evaluation	Safety-related evaluation of a the level measurement in the context of an expert opinion on a biogas pant in Mecklenburg-Western Pomerania
2012	Germany	Expert report and documentation	Inspection of an agricultural biogas plant in Germany for completion of the documentation according safety relevant aspects
2012	Germany	Valuation report	Valuation report on a biogas plant in Lower Saxony with elapsing warranty period
2012	Germany	Damage report	Preparation of a damage report on a biogas plant in North Rhine-Westphalia
2012	Netherlands	Due Diligence	Preparation of a technical Due Diligence Report on a biogas plant in the Netherlands
2012	Germany	Insurence expert report	Preparation of an insurance expert reports on a biogas plant in Mecklenburg-Western Pomerania
2012	Germany	Damage report	Preparation of a damage report regarding agitator technology in the digester and secondary digester of a biogas plant in Rhineland-Palatinate
2011	Germany	Due Diligence	Preparation of a Due Diligence (Technical support) with evaluation of the optimizing potential of a biogas plant with biogas upgrading system in Saxony-Anhalt
2011	Germany	Expert report	Preparation of an expert opinion on optimizing potential of a biogas plant in Thuringia
2011	Germany	Expert opinion	Regional court Münster
2011	USA	Expert opinion	Preparation of an external report for the acquisition of potential investors for a planned biogas plant in USA
2011	Germany	Expert opinion	Regional court Koblenz
2011	Germany	Technical expert report	Technical evaluation of a biogas plant with gas injection and treatment of digestate. Preparation of an expert report with valuation of the optimizing potential in Saxony-Anhalt
2011	Netherlands	Due Diligence	Preparation of a expert report in the context of a technical Due Diligence Report on a biogas plant in the Netherlands
2011	Germany	Expert opinion	Regional court Oldenburg
2011	Germany	Expert opinion	Regional court Lüneburg
2011	Germany	Expert opinion	Regional court Bremen
2011	Germany	Expert opinion	Regional court Lüneburg
2011	Germany	Expert opinion	Regional court Hamm
2011	Germany	Expert report	Expert report to evaluate the operation troubles on a biogas plant in Schleswig Holstein
2011	Germany	Expert opinion	Regional court Oldenburg
2011	Germany	Expert report	Expert report to evaluate the operation troubles on a biogas plant in Saxony

## Reference list - Expert opinions -

Year	Location	Report	Content
2011	Germany	Due Dilligence	Preparation of a Due Diligence (Technical support) with evaluation of technical offers for the construction of a biogas plant digesting energy crops and biogas upgrading system in Saxony-Anhalt
2011	Germany	Expert report	Expert report to evaluate the operation troubles of a biological sulfur removal system at a biogas plant in Germany
2011	Germany	Hazard assessment	Preparation of a hazard assessment, based on the German Ordinance on Industrial Health and Safety for an existing biogas plant in Hesse
2011	Germany	Technical expert report	Preparation of a technical expert opinion on optimization of the input device of a biogas plant in Mecklenburg-Western Pomerania
2011	Germany	Insurence expert report	Preparation of an insurance expert reports on a biogas plant in North Rhine-Westphalia
2011	Germany	Valuation report	Preparation of a valuation reports as basis for an extension of a biogas plant in Lower Saxony
2011	Germany	Due Dilligence	Preparation of a due diligence report on the plant technology of a biogas plant in Brandenburg
2011	Germany	Valuation report	Preparation of an expert report on the technical condition of a biogas plant including valuation for an existing biogas plant in North Rhine-Westphalia
2011	Germany	Hazard assessment	Preparation of a hazard assessment, based on the German Ordinance on Industrial Health and Safety for an existing biogas plant in North Rhine-Westphalia
2011	Germany	Hazard assessment	Preparation of a hazard assessment, based on the German Ordinance on Industrial Health and Safety for an existing biogas plant in Brandenburg
2011	Germany	Expert opinion	Regional court Bonn
2011	Germany	Expert opinion	Regional court Schwerin
2010	Germany	Expert opinion	Regional court Koblenz
2010	Germany	Expert opinion	Regional court Halle
2010	Germany	Expert opinion	Regional court Neuruppin

2010	Germany	Expert opinion	Regional court Neuruppin
2010	Germany	Expert opinion	Regional court Bielefeld
2010	Germany	Expert opinion	Regional court Bonn
2010	Germany	Consultancy	Consultancy of the client regarding an insurance claim
2010	Germany	Insurance expert report	Insurance expert report on a damage of the heating of the digester of a biogas plant in Bavaria
2010	Germany	Valuation report	Consultancy and evaluation of an general contractor's quotation for planning and construction of a biogas plant
2010	Germany	Due Diligence	Preparation of valuation reports on the technical condition and economic value of 3 biogas plants for the digestion of organic waste
2010	Germany	Valuation report	Consultancy and evaluation of planning documents for a biogas plant for the digestion of waste in Berlin
2010	Poland	Valuation report	Consultancy and evaluation of planning documents for a biogas plant for the digestion of waste in Poland
2010	Germany	Valuation report	Consultancy and evaluation of planning documents for a biogas plant digesting energy crops in Bavaria
2010	Germany	Insurance expert report	Insurance expert report to evaluate the fire damage at a biogas plant in Lower Saxony

Year	Location	Report	Content
2010	Germany	Due Diligence	Inspection and preparation of a valuation report to determine the market value of a biogas plant in Hesse
2010	Germany	Valuation report	Extensive evaluation of a new constructed biogas plant
2010	Germany	Valuation report	Inspection of a biogas plant in North Rhine-Westphalia and preparation of a damage report according technical equipment, process technology and improvement of single components/modules
2010	Germany	Damage report	Inspection of a biogas plant in North Rhine-Westphalia as basis for an report on an existing damage
2009	Germany	Expert opinion	Regional court Hannover
2009	Germany	Expert opinion	Regional court Stralsund
2009	Germany	Expert opinion	Regional court Freyung
2009	Germany	Expert opinion	Regional court Bückeberg
2009	Germany	Expert opinion	Regional court Kiel
2009	Germany	Expert opinion	Regional court Rostock
2009	Italy	Due Diligence	Preparation of a technical due diligence report on a biogas plant
2009	Germany	Due Diligence	Preparation of a technical due diligence of two biogas plants for the digestion of energy crops in Thuringia
2009	Germany	Damage report	Inspection of a biogas plant in North Rhine-Westphalia as basis for an report on an existing damage
2009	Germany	Damage report	Inspection of a biogas plant in Thuringia and preparation of a damage report
2009	Germany	Due Diligence	Preparation of a technical Due Diligence for the evaluation of a biogas project in Germany
2009	Germany	Due Diligence	Preparation of a technical Due Diligence for the evaluation of a biogas project in Germany
2009	Germany	Insurance expert report	Insurance expert report on a fire damage
2009	Germany	Damage report	Damage report on a biogas plant in Lower Saxony
2009	Netherlands	Due Diligence	Technical Due Diligence report on 3 biogas plants digesting agricultural materials and organic residues in the Netherlands
2008	Germany	Valuation report	Safety check and technical evaluation of a biogas plant in Mecklenburg-Western Pomerania
2008	Germany	Valuation report	Safety check and technical evaluation of a biogas plant in Lower Saxony
2008	Germany	Valuation report	Safety check and technical evaluation of a biogas plant in Brandenburg
2008	Germany	Valuation report	Safety check and technical evaluation of a biogas plant in Saxony-Anhalt
2008	Germany	Valuation report	Safety check and technical evaluation of a dry digestion biogas plant in Brandenburg
2008	Germany	Valuation report	Safety check and technical evaluation of an energy crop biogas plant in Saxony-Anhalt
2008	Germany	Valuation report	Safety check and technical evaluation of a biogas plant in Schleswig-Holstein
2008	Germany	Due Diligence	Technical evaluation of an existing biogas plant in Saxony-Anhalt as part of an overall Due Diligence
2008	Germany	Due Diligence	Technical evaluation of an existing biogas plant in Brandenburg as part of an overall Due Diligence
2008	Canada	Valuation report	Safety check and technical evaluation of an existing biogas plant in Canada
2008	Germany	Valuation report	Safety check and technical evaluation of an existing biogas plant in Lower Saxony

Year	Location	Report	Content
2008	Germany	Expert report	Expert report on a biogas plant in Lower Saxony with elapsing warranty period.
2008	Germany	Due Diligence	Technical assessment of an existing biogas plant in Mecklenburg-Western Pomerania as part of an overall Due Diligence
2008	Germany	Expert report	Expert report to evaluate the solids input device technology and optimization of energy crops plant in Thuringia
2008	Germany	Due Diligence	Technical assessment of an existing biogas plant in Saxony-Anhalt as part of an overall Due Diligence
2008	Germany	Due Diligence	Technical assessment of three existing biogas plant in Saxony-Anhalt and Brandenburg as part of an overall Due Diligence
2007	Germany	Expert report	Expert report to optimize an existing biogas plant in Hesse
2007	Germany	Valuation report	Technical and economic assessment of a digestion plant for organic wastes in Thuringia, on behalf of an energy provider
2007	Germany	Insurance expert report	Expert report on a damage at a biogas plant in North Rhine-Westphalia
2006	Luxembourg	Valuation report	Evaluation of several quotations from EPC-contractors for a biogas plant in Luxembourg
2006	Germany	Expert opinion	Regional court Münster
2006	Belgium	Valuation report	Evaluation of several quotations from EPC-contractors for a biogas plant
2004	Germany	Valuation report	Valuation report for a biogas plant in Mecklenburg Western-Pomerania
2003	Germany	Insurance expert report	Expert report for an insurance company to clarify a case of damage
2002	Germany	Insurance expert report	Advice and consultation for an expert to clarify an insurance claim
